Melissa,

Thank you so very much for the absolutely amazing photos of our wedding! You were so professional and friendly all day, and it was a pleasure to have you around. From first thing in the morning (when you helped zip me into my gown) til the very end, everyone commented on what a great job you were doing and how personable you were. Once the photos were finally posted online (barely 2 weeks later!), we were all blown away by the great quality and the amazing quantity. There were so many wonderful pictures that we did not even know had been taken, but which we are so glad you captured! We will absolutely recommend you to anyone who needs a talented, friendly photographer at a truly great price. Thank you again for keeping our memories of that day as bright and clear as the day itself was!
